## PROJECTS

**Smart Attendance System**                                           2024 – present
*Proxy Safe Attendance Website - [Python, Django]*
- Ensure quick and secure attendance by using QR codes with customizable expiry and location-based scanning.
- Both host and attendees should connect to the same Wi-Fi network.

**Retail Performance Dashboard:**                                                  2023
*Analyzing Orders Dataset - [PowerBI]*
- Analyzed and visualized key performance metrics such as sales trends, customer demographics, and product popularity using this Power BI dashboard.
- Leveraged insights from a comprehensive retail orders dataset.

**MY MOVIES Webpage:**                                                  2022
*Movies Search Page - [ ReactJS, API ]*
- Delivering the efficient movie search functionality.
- A smooth user experience, and the utilization of modern technology stack for a dynamic and responsive movie search webpage using API.

## INTERNSHIPS

**Data Analyst**                                                                            08/2023 – 10/2023
*Xtraleap*
   Conducted data pre-processing, applied ETL commands, and developed an extensive
   dashboard through the Xtraleap platform. This involved cleaning and transforming raw data to
   ensure accuracy and consistency.

## ACHIEVEMENTS

**Walmart - Sparkathon**                                                                              08/2024
*Participated*                                                                                       Hyderabad

**Technical Club**                                                                                   2022 – 2023
*Vice President*                                                                                     Hyderabad

**Swecha Organization**                                                                              2022 – 2023
*Volunteer*                                                                                          Hyderabad

**National Service Scheme (NSS)**                                                                    2022 – 2023
*Initiated*                                                                                          Hyderabad
